Dear Seniors:

With a sincere feeling of regret over the fact that you will be leaving this school, but also with a sense of pride in your accomplishments while here, I pen my farewell message to the first seniors in the history of our young school.

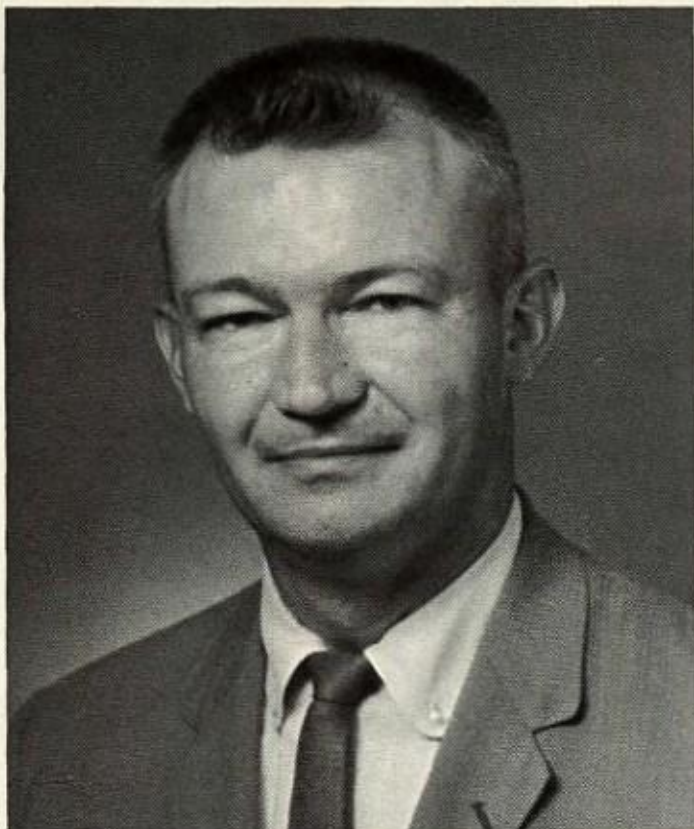

You are being graduated from high school during one of the most critical and challenging periods of world history. Upon your shoulders rest the hope and dreams of mankind. May you as individuals demonstrate in your adulthood the same sense of unselfishness and farsightedness which so often you have given as a group in helping shape traditions in building the history of our new school.

As Joaquin Miller spoke of the Admiral in his poem, Columbus, I hope you too can demonstrate his courage and strength:

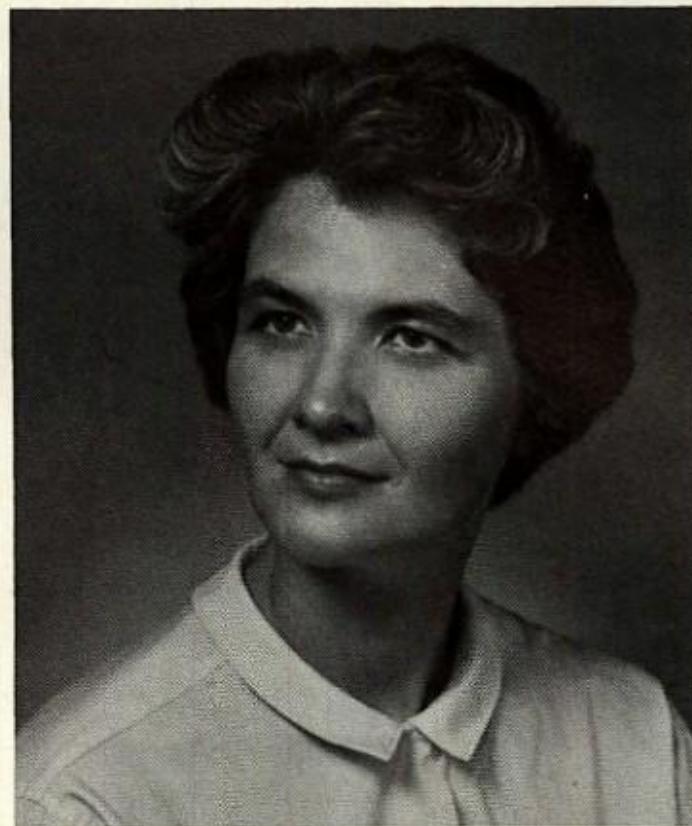

"Then pale and worn, he kept his deck,
And peered through darkness, ah, that night
Of all dark nights! And then a speck
A light! A light! A light! A light!
It grew, a starlit flag unfurled!
It grew to be Time's burst of dawn.
He gained a world; he gave that world
Its grandest lesson: On! Sail on!"

Very sincerely yours,

William K. Wright

Dear Hilltoppers,

Today I dusted off the TOPPER for the year 1963-1964, and many memories came back to me as I glanced at the pictures:

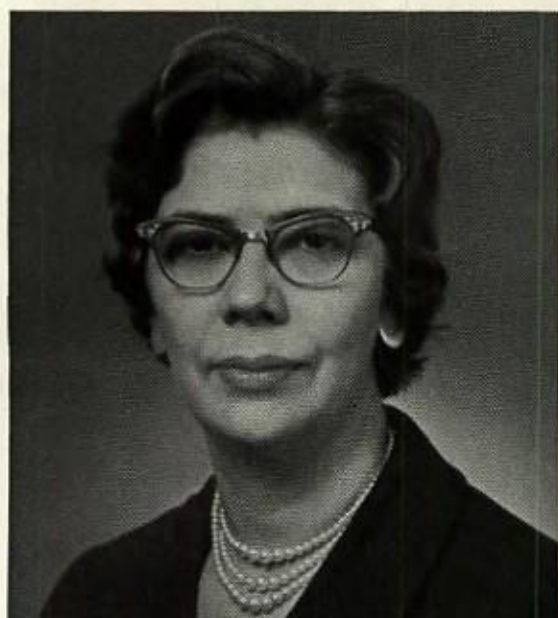

The new uniformed band playing "The Star-Spangled Banner"--Ronnie Medlin carrying the ball on the option play--Tony Waller driving in for a crip shot--Miss Mason's bell--Bobby Garfinkle shooting that left-handed push shot that hits the bottom of the basket--the trophy case--Evaluation Week--smoke boiling out of the restrooms--counting the licks when someone was getting paddled--greeting friends getting off the bus--quietness of the library and study hall--crowded halls between classes--honors won in Math, Latin, and Forensic competition--Mr. McDonald's gentle voice rolling down the hall--rushing to class--an "A" in Miss Mason's class--the first graduation--championship football jackets--Coach McKinney's speeches--pep rallies--the Faculty and Men's Club Basketball Game--the Strawberry Bowl--the Cumberland game--honor rolls--student body elections Carioca Week--scratching on the intercom microphone before announcements--exams--friends--and teachers that understood.

Sincerely,

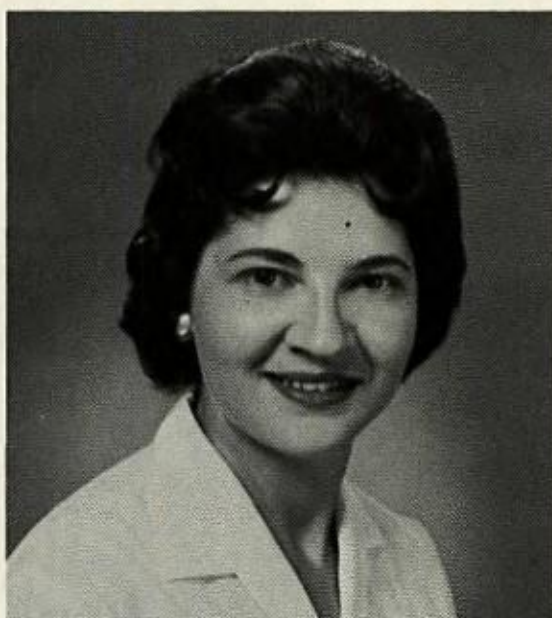

William W. Hicks

FIGHTING

FUN

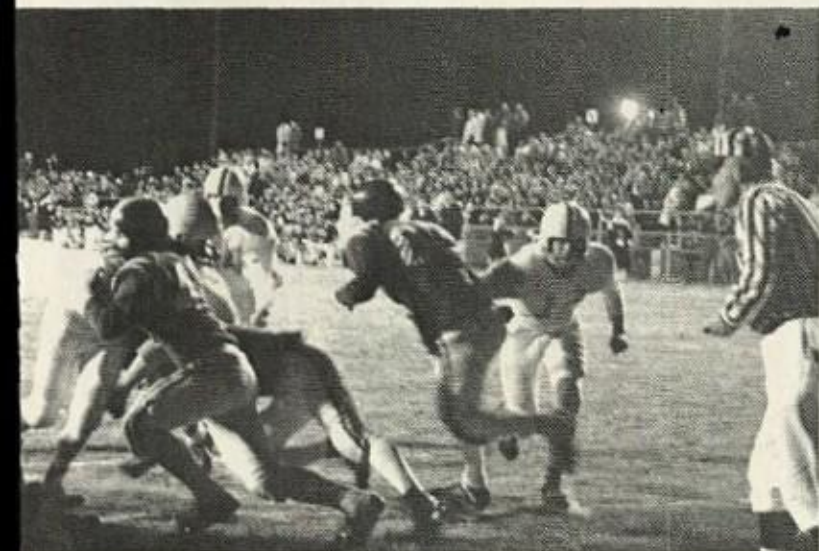

The varsity football team came out on top this year in spite of some handicaps. One was that we were unable to use our stadium for the home games due to an excessive amount of sand on the field. Another was the upset defeat by Hendersonville 6-1; and we suffered a defeat by Kingston. The overall record was 9-2 and made us Class AA Co-Champs. With this record we gained a bid to the Strawberry Bowl. By defeating Smyrna there 45-0, we brought the victory trophy home.

The leading scorers were Ronnie Medlin 90, Newt Williams 59, Billy Hedge 46, Manley Mixon 31, and Charlie Collier 21. As the scoreboard indicates, defensively we were just as good. Chief defensive players were: Newt Williams, Dick Renick, Jeff Gorin, Fred Williams, Bobby Hart, and Steve Marks.

1963 will be a year to remember when we look over all the trophies won this football season.

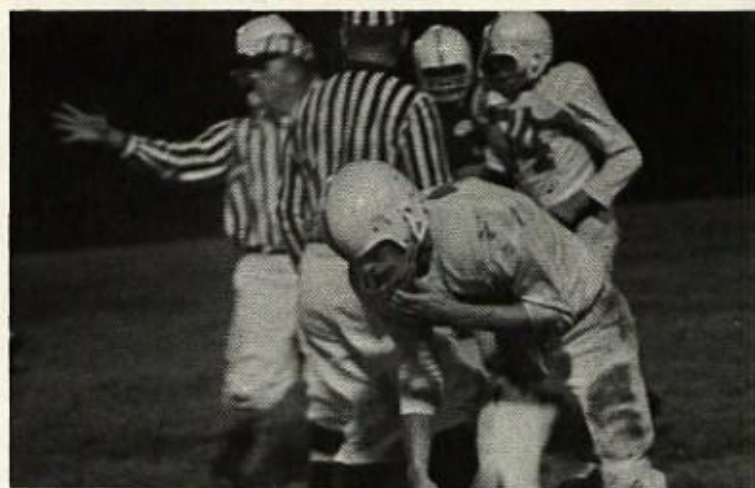

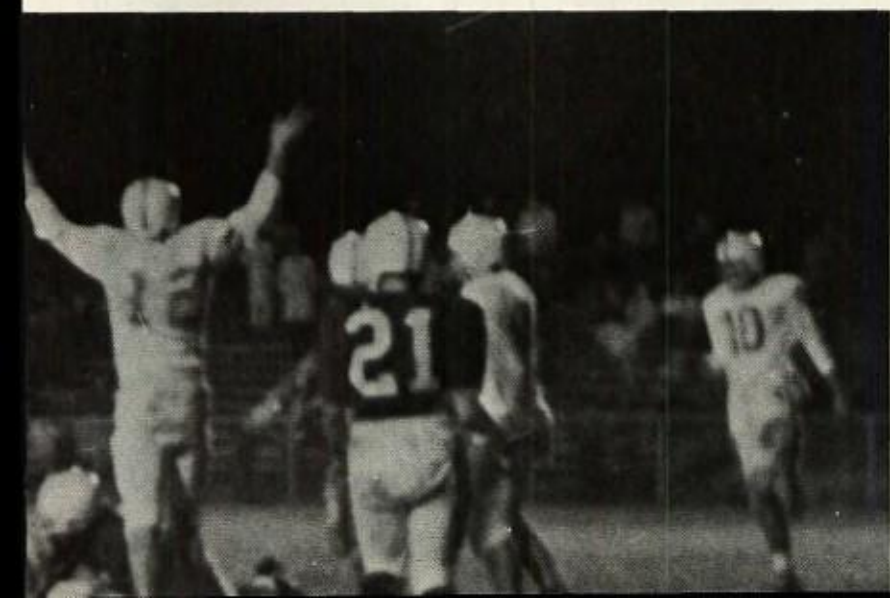

And you tell my brother, the referee . . .

lead the team in a cheer.

Here I come, ready or not!

The Varsity boys composed of 13 boys tallied up a 14-6 seasonal record. These boys gave the audience many a thrilling game by winning and losing by only one or two points in about six games. They beat Hillsboro in their first tournament game 51-45, but their second attempt was not as successful. They fell to Stratford 46-45 on February 25.

The boys played quite well both offensively and defensively, especially in comparison of their height to their opponents. The Toppers were only out rebounded by Sparta. The offensive was led by George Johnson, along with Tony Waller, Bobby Garfinkle, Ronnie Medlin, and Dalton Oliver.

I'm going to hit you!

TSSAA TOURNAMENT

Here comes the Beatles' flying saucer.

I stuck in my thumb and pulled out a plum . . .

This year our girls' basketball team proved that they were not the weaker sex. They won fourth place in the 19th District; they were second-place winners of the TSSAA 19th District tournaments, losing to Dupont by two points in a double-overtime.

The Topperettes handed Hendersonville their only loss of the season, along with upsetting victories over Hillsboro and Litton.

Fine defensive work with good offensive playing added up to victory for the girls. In the regionals after the district play, they had bad luck, losing to Hendersonville 41-37 in the first game.

Judy Lankford was selected as one of the all-city guards; both she and Carol Holland made the 19th District All-Tournament Team.

Hard playing at Municipal Auditorium.

I wonder when the cartoons start??!!

SUDDENLY

The winds of time have taken him away,
This man now thought so great.
But, I know these winds will not be indifferent.

And suddenly I cry
Because we knew him not while yet he lived.

And suddenly I weep when someone says
"democracy"
Because he was the embodiment of that word.

And suddenly I wonder
Why it is a great one always gains the least ac-
claim among his own.

And suddenly I'm glad
Because I know that he will be ahead of us in all
our futures.

And suddenly I mourn
Because he lives no more.

Dear Greg,

I didn't have anything else to do, so I thought I'd write this note. Sound familiar? I just didn't want to get out of the habit. (Kidding, of course)

I know the year hasn't ended yet, but I wanted to tell you how great it's been for me, and you've made it that way. I'll never forget this year as long as I live, all the parties and combos we've gone to and all the fun we've had. We've had some swingin' times & I hope we have a lot more. Of course we've had some pretty tough times along with the good ones, but they always turned out "O.K." didn't they?

I still remember how excited I was the night you asked me to David Baller's party and how I hoped you'd ask me for another date. Well, it's been eight months since then and every month gets better. Too bad we didn't get to go to David's second party, but things like catching the ~~measles~~ measles do happen. I'll never forget how disappointed you were that Friday afternoon. You had such big plans for that week-end.

There's so much more I could write. I can't begin to tell you how wonderful it is, and how much I enjoy being "your girl." It's been a great year to remember. I only hope I get to write the same thing next year. But no matter what happens in the future, I'll still love you and you'll always be "number one" with me.

P.S. Oh yeah, sorry I left so much room for you to write in my annual. I know you'll never be able to fill up all that space.

Love ya forever,
Beverly

To a real great guy.
I hope we will always
be friends.
